

In view of Y_eour, L_eordship's, letter of last May 6th., and the official letters about having^T the Captains from the Presidios of Bexar and La Bahia del Espiritu Santo sending you, legalized copies of the accounts of the soldiers from their divisions, I have ordered on the decree issued today, that Y_eour, L_eordship, stop requesting the said Captains to show you the accounting books and legalized copies. This is not necessary according to the report sent to me by the Sergeant Major d_eo_n Hugo Oconor with regard to this matter; he, stated that the aforesaid soldiers and Governor d_eo_n Angel Martos y Navarrete have an agreement between them.

May God keep Y_eour, L_eordship, m_ean, y y_eear, s.
