

I am forwarding to you a copy of the bando regarding the extrac-
tion of criminals from religious sanctuary which the most excellent
lord viceroy of New Spain ordered published, so that you might have it
promulgated in that presidio under your command, and filed in its
archives. Thus may it take effect for the cases which it covers.

God keep you, sir, many years. S[an] Ant[oni]o de Béxar, Janu-
ary 8, 1788.
